“ Dear Joyce, Elaine, Debbie and Julie, My heart is saddened by the passing of Uncle Junior. He was so much fun and I have so many fond memories of his visits when I was growing up. He was a wonderful brother to my mom and I know they had a special bond. He loved to listen to my dad play bluegrass music and they shared many wonderful times together. I am sure they must be listening to their music now. Our deepest sympathy to you and all the family. We will surely miss him very much. We will continue to keep you all in our thoughts and prayers. Love to all, Linda, Clark and Leslie

“ Dear Aunt Joyce, Debbie, Elaine and Julie, I just want to express my deepest sympathies to you all for your loss. My heart goes out to you at this difficult time. I also have some very fond memories of Uncle June visiting my Grandmother and Grandfather's house when I was a young girl. I always remember the mood lifted when he would arrive. I am also very happy that I was able to reconnect with him (and you all) as an adult. He will be missed by so many people. Our deepest condolences, Love, Kim, Darryl, Morgan and Mason Hale
