“ I knew Nancy and John when I worked at Infinia in Social Services. I cared very much for the both of them. my heart goes out to John, This family has been through so much recently and my hope is that he can find some peace in knowing Nancy is free from that chair and free of her pain. Nancy and John were always kind to me. I enjoyed talking with them daily. I will be praying for the entire family while they grieve the loss of two loved ones. God gives us only what we can bear. Please know you are in my heart, and if I can do anything email me at the above address. God bless, Sherri Reed
