“ Our hearts go out to Mike and his family. We lived next door to the Sims for over ten years before moving to NM. I can honestly say that there was not a single day that went by where Mike was not outside spending time with his family. Now matter how busy or tired he was, his love and devotion for his family was first and foremost to Mike and his absence will be felt all the more, each and everyday. He was truly a loving husband, father and son. He was also always there to offer up a helping hand and a cheerful smile to anyone in the neighborhood. He touched so many peoples lives with his kindness and we are all the better to have known him. We share the loss of Mike deeply with his family and think of him and his family, Loretta, Robert, Michaela and Ashley as part of ours. May our Love send strength and comfort to all of them across the miles.”
