“ We will miss Bob. He contributed so much to his community, and to his immediate neighborhood with his lifelong companion Dottie. His quiet smile, his leadership, his calm and common-sense contributions to years of Board and Montezuma Heights Airpark membership meetings will long be remembered, and admired. Bette & Jon Fineman

“ There have been few times in my life when I have met a man whom I can consider a gentle giant and Bob fit that description. First and foremost, he was an Apostle of Christ and the way he lived his life in companionship with his wife Dottie was his testament of that. I loved that Bob enjoyed life and his sense of humor and laughter were ever present, no matter the circumstances. He found humor in life and in almost every situation and it was always so wonderful to be in his presence. Bob was a giver and he was a great listener. He had a heart of gold and I am so proud to call him my friend. Thank you Bob. I will continue to rely on you from where you are now my Angel friend - with God Almighty in Heaven. We will always remember you. De Colores and Congratulations on your Fifth Day.
