

Roberta Harlene Patrick

April 9, 1946 - January 31, 2007

Roberta Harlene Patrick, 61, resident of Rimrock, Arizona, passed away on Wednesday, January 31, 2007 in Camp Verde, Arizona. She was born April 9, 1946 in Astoria, Oregon to Robert Alexander and Katherine Harlene (Sleutel) Patrick. As a child, she attended the San Bernardino Christian School, following which, she attended Biola University and obtained her education in Primary Education. She then taught at the Hawaii State School. Locally, Roberta worked at Rainbow Acres, dedicating more than 30 years to ensuring a quality and dignified lifestyle for the mentally handicapped and developmentally disabled adults. She is preceded in death by her parents, Robert and Kay. She leaves behind her two brothers, F.A. Patrick with Alice of Lakeside, California, and John R. Patrick with Ted of Placentia, California; and her sister, Katherine Wright of Coos Bay, Oregon. It is requested that Rainbow Acres be contacted for the date and time of the Memorial Service - (928) 567-5231. In lieu of flowers, please make donations made in Roberta's honor to Rainbow Acres, 2120 W. Reservation Loop Rd., Camp Verde, Arizona 86322 An online guestbook is available at www.westcottfuneralhome.com

“ To John Patrick and other relatives and Ellie Nakano When we volunteered at Rainbow I began to appreciate Roberta more each time I interacted with her. Her patience and loving care for the ranchers, staff and us as volunteers became very apparent. Roberta was involved in the design and organization of the Worden Learning Center at Rainbow Acres; then moved on to working more with volunteers in Community Relations Office. She planned the Rancher Choir trips. It was my privilege to work with the choir as director, driver and chaperone for a number of Arizona and California choir trips. I will miss Roberta but I know that she loved the Lord and now is without pain.

“ Roberta was a special friend to Rainbow Acres, not just an employee. Listing just one memory: She played a very important roll in the first permanent learning facility for the Ranchers.
